

Earn an E-Z \$150 In-store Credit!

If you have a short recording which provides a good example of a camera's performancewe want it! And we're willing to pay!

We invite you to help build our Video Samples Library found on our Video Samples page.

Simply email a good video sample to videosamples@ezwatchstore.com. We will review the video. If we use it, we will immediately issue you a \$150 in store credit you can use toward the purchase of any product we sell.

The samples do not have to be extraordinary. Just interesting to watch and show the quality and performance of a specific camera.

Please follow the guidelines below for submitting a video sample:

- Provide the sample in AVI format. This can be exported from the EZWatch Pro Video Playback screen. For detailed instruction on how to export a clip please visit our online support Wiki for instructions at: http://www.ezwatch-security-cameras.com/wiki/index.php/Support_Wiki_Home
- Make sure the file is not larger than 10 Megabytes. If it is please mail the video sample in on a CD.
- Detail which camera generated the recording, the frames per second it was recorded in and the resolution you used.
- Make sure you reference your invoice number and name the order was placed under so we can issue the in store credit.

That's it. If you need help or have questions please feel free to call and speak to one of our support representatives during our extended support hours 866-241-3400.
